

## Central Texas Health Research Needs Asthma Volunteers!

If you have a history of asthma and are between the ages of 18-70, you may qualify for a research study.

If you qualify for this study, you may receive at no cost to you:

- Study related physical exams and laboratory tests
- Investigational medication or placebo
- Up to \$810 in compensation for your time and travel

**For more information, please call: (830) 609-0900**
